BHE Land Systems
"Building a stronger defence force together"

Foreword from the Chairman

It is indeed a privilege to draft this foreword and acquaint you with BHE-Land Systems. With over 40 year's experience across the group, BHE-LS has been dedicated to pushing the boundaries in the defence sector, offering top-tier solutions to the land forces of the United Arab Emirates. None of our accomplishments thus far would have been possible without the support of our respected leaders and international strategic partners, who share our unwavering commitment to Protecting the UAE homeland and maintaining its territorial integrity.

Our journey has always revolved around the ethos of "Building a Stronger Defence force together," fuelled by our dedication to excellence and commitment to our core values. At BHE-Land Systems, success is measured by the tangible difference we make through the products, services, and solutions we provide to our customers.

In the dynamic landscape of defence, BHE-LS remains resolute in its commitment. I take immense pride in our achievements thus far, and I am eager about the prospects that lie ahead as we broaden our presence across the GCC region. With innovation and progress as our guiding principles, I am confident that BHE- Land Systems will continue to lead the way and positively influence the defence industries of tomorrow.

I extend my heartfelt gratitude for the unwavering support from our invaluable strategic and international partners on this remarkable journey, fostering industrialization, and advancing Emiratization initiatives. Together, let us continue to shape the future of defence with excellence and integrity.

Humaid Saeed Al Dhaheri
Chairman, BHE-Land Systems

ABOUT US

BHE Land Systems is an Emirati and veteran-owned company excelling in military support services. Our comprehensive portfolio includes Defence MRO & Industrialisation, Vehicle Sales & Integration, Supply Chain & Procurement, Offset Management, CEMA Sales & Support, and Training Management

Located in Abu Dhabi, we seamlessly integrate cultural heritage with military expertise to provide unparalleled solutions. Our diverse team ensures operational readiness and fosters innovation. Upholding integrity and prioritising customer satisfaction, we cultivate enduring partnerships built on trust and excellence, establishing new standards in military support for a safer world. As a trusted provider of defence solutions in the Emirates, we are dedicated to advancing the UAE 2030 Vision.

Our mission is clear. to become the trusted provider of defence services. Through innovation, strategic alliances, and a commitment to customer satisfaction, we also contribute to Emiratisation efforts. Our unwavering focus is on being the foremost provider of cutting-edge defence solutions. Aligned with the UAE's strategic objectives, we emphasise in-country value creation, delivering top-tier supply chain solutions and nurturing innovation. Through strategic collaborations and steadfast dedication, we aim to strengthen national security while contributing to the growth of the UAE's defence industry and economy.

MRO & INDUSTRIALISATION

Our MRO capabilities encompass defence equipment efficiency and longevity. From routine maintenance to extensive overhauls, our seasoned team uses cutting-edge tech to ensure seamless functionality and mission readiness.

Central to our approach is the integration of Industrialisation principles, which drive efficiency, cost-effectiveness, and localisation of MRO activities. By harnessing local talent, resources, and capabilities, we enhance in-country value and also contribute to the broader Industrial ecosystem's growth and sustainability.

DEFENCE OFFSET MANAGEMENT

We offer comprehensive support in all aspects of Offset Management.

Specialising in UAEs the Economic Program, providing tailored solutions to assist Defence contractors in fulfilling their offset obligations.

Our expertise ensures compliance with the program requirements while maximizing the impact of offset investments, contributing to the growth of the UAE's Defence industry.

VEHICLE SALES & INTEGRATION

BHE Land Systems focuses on providing comprehensive solutions for enhancing the operational capabilities of land-based assets.

This includes identifying and sourcing advanced technologies, developing follow-on support programs, executing upgrades, and ensuring seamless integration with existing systems.

In addition we also prioritise job creation and the equitable distribution of knowledge transfer. Through initiatives adding to the development and employment within the communities we serve.

CYBER ELECTROMAGNETIC ACTIVITIES (CEMA) SALES & SUPPORT

BHE Land Systems extends its expertise to encompass CEMA (Cyber Electromagnetic Activities) sales and support services, centring on empowering military capabilities in the contemporary battlefield landscape.

Specialising in cutting-edge CEMA systems and training delivery, we address evolving threats by providing essential support to defence operations.

Our solutions are tailored to enhance situational awareness, communication resilience, and electronic warfare capabilities, ensuring readiness and effectiveness in the face of dynamic challenges.

SUPPLY CHAIN AND PROCUREMENT

BHE Land Systems is a leader in delivering customised supply chain and procurement solutions that precisely address each client's distinct requirements.

Our supply chain services cover comprehensive planning from start to finish, guaranteeing smooth integration and optimisation at every stage of procurement and supply.

With a wealth of experience in international logistics and local transportation via land, sea, and air, our Supply Chain division ensures the seamless movement of cargo and assets, offering full visibility and real-time updates.

Our intelligent sourcing and procurement strategies, coupled with end-to-end logistics solutions spanning from origin to destination, enhance efficiency while minimising logistical costs and delays, thus sustaining platform and equipment availability.

TRAINING MANAGEMENT

BHE Land Systems is committed to delivering cutting-edge training management solutions. Our holistic approach begins with meticulous needs analysis, ensuring that every program is precisely tailored to address unique challenges.

Our team is dedicated to crafting engaging course content, utilising diverse delivery methods to accommodate various learning styles. With our expertise guiding the way, organisations can confidently enhance performance and achieve unparalleled success.

AREA OF OPERATION

BHE Land Systems is primarily based in the GCC region, with our headquarters situated in Abu Dhabi. In addition to our central hub, we maintain operations in Saudi Arabia and Qatar.

Our reach extends far beyond borders as we offer technical support and original equipment manufacturer (OEM) training to armed forces worldwide.

Leveraging our robust presence in strategic regions, we excel in delivering tailored solutions that cater to the distinctive needs of military clients on a global scale.

HISTORY

TRUSTED BY INDUSTRY LEADING PARTNERS

By partnering with International OEM's, we embrace the UAE vision to create value. Accelerating the economic growth and capabilities of the UAE Armed Forces by introducing international innovation & technologies.

BHE-LS IN THE COMMUNITY

At BHE-LS, our commitment extends beyond the boundaries of our core operations. We actively engage and support the community through collaborations with non-defence organizations that align with our values and objectives. Key entities BHE-LS engages with include educational institutions, fostering innovation and knowledge exchange to drive progress in technology and related fields.

Additionally, through our support of T.A.P.S Charity, we provide essential services and resources for veterans, acknowledging their sacrifices. Our partnership with the UAE Deaf Association highlights our dedication to inclusivity and accessibility, ensuring that all community members have the support they need to thrive. Furthermore, our sponsorship of a local football team, Abu Dhabi Storm, underscores our dedication to grassroots sports and community involvement, promoting values such as teamwork, leadership, and healthy lifestyles.

These partnerships reflect our commitment to making a meaningful impact, both locally and globally, across various domains of endeavour.
